

MORE THAN 125 YEARS OF EXPERIENCE

We've been around for a very long time,
and we're here for the long term.

Through our uncompromising approach
to materials and functionality, we deliver
professional, long-lasting solutions to vital
industries. Our range includes couplings,
spray guns, and complete system solutions
for both industrial and sanitary applications.
We are constantly evolving
— never standing still.

As a company with 12 decades of
experience, we understand the necessity
of sustainability and endurance.
Our longevity is built on an unwavering
commitment to quality and responsible,
sustainable solutions.

That is why we produce some of the most
durable couplings you can find on the market.
When it comes to making the strongest
connections, **you can put your trust in NITO.**
